DISTRICT DEPUTY GRAND MASTER,

36TH MASONIC DISTRICT - 2014
 Rt. Wor. Joseph Leon Stocks C (757) 478-9675
 stocksjl@juno.com

Brethren,

I hope this finds you well! On behalf of all of the Officers of Lake Drummond Lodge, we wish you and yours a very Happy New Year! May it be filled with joy, happiness and good health!

Thank you for allowing me the pleasure of serving as your Worshipful Master for 2015. What a real honor and privilege it is to be entrusted with such a great responsibility! I will do my best to ensure that your decision to place me in the East produces a positive outcome. I am very excited with our plans for the year. Rest assured we are hitting the ground running!

Several months ago, I presented my goals and plans to the Past Masters. One of those goals is to increase the Lodge participation of our Brethren. I have realized that no matter how good a plan that we have, it takes support to implement it. In our last Trestleboard, I extended an invitation to the Brethren to step up and get involved in some aspect of your Lodge. I am excited that some folks are already responding to that offer. Your participation and support (even in the smallest amount) can make a difference!

Brethren, we have all worked hard to get to that position of being a Free and Accepted Mason. We took the same obligation to support each other. I am now asking for your continued support by supporting your Lodge. Based on my estimate, we average ten percent or less of our members attending Lodge. Typically, they are the same folks. I am sure there are many reasons for our diminished attendance. We are all pretty busy in the hustle and bustle of today's world. I would like get your valued input as to how we may turn this around. I honestly believe that when we struggle to get our Brethren involved, we are missing opportunities to maintain or strengthen our membership. While not a significant problem for us today (unlike some other Lodges), I worry that the health of our Lodge may ever so slowly deteriorate due to declining membership and lack of participation. Getting ahead of it now will ensure the continued success that our Lodge has enjoyed in the past. That being said, my job this year is to ensure that any brother who wishes to work in the quarries has an opportunity to do so. It is also my responsibility to ensure that our gatherings are value added to the Brethren!

We are working diligently to put together an excellent slate of events throughout the year. Our January Stated Communication will feature Worshipful Paul Miller, Chairman of the Grand Lodge Committee on Education. At our February Stated, we will receive Right Worshipful J. Leon Stocks, District Deputy Grand Master for the 36th Masonic District, on his Official Visit. That distinguished honor is followed by another when we host Most Worshipful Reese Edward Carroll Jr., Grand Master of Masons in Virginia. Brethren, this is a great opportunity to showcase Lake Drummond Lodge and to extend our appreciation for their support of our craft in general and to our Lodge in particular. 'Bring-A-Brother' and come to the Lodge!

Other than the stated meetings, it is our plan to have the Lodge doors open every Thursday for Degree work, school and/or just plain fellowship. If you are interested in participating in or learning any of the degree work, I encourage you to come on out! If you have been away from the Lodge for a while and may need a "brushing up," this would be a great time to stop in, have a meal and get reacquainted with Lodge procedures, etc.

My brethren, this year the Lodge is planning on doing something special for our widows. We are planning two dinner shows for next year for our Lodge widows who would like to participate. The Lodge will be sending out information sometime after the first of the year to the widows on where we plan to go. We are looking for something that is close by to keep the travel time short. We are looking at a cost of about \$35 per lady. This we hope will cover their meal and show and some of the transportation cost depending on how many will go. I know there are some who may not have the extra money to participate but would like to go. Ideally we would like to defray the cost to all. If you would be interested in sponsoring one or two of our widows please contact Rt. Wor. Harry Slaughter or Wor. Elmer Walters as they are spear heading this endeavor. We think this might be something nice for our ladies. We always want to remember our obligations and our widows.

In addition to this Trestleboard, I will be issuing weekly emails throughout the year to keep you apprised of what is happening in our Lodge and in our District. To ensure that you receive this information, please send me a short email at billymutter@yahoo.com so that we can add you to our distribution list and make sure to sign-up on our website to receive this bulletin electronically!

Again, we would appreciate any feedback or ideas that you may have to improve our lodge and its participation. Drop me a line anytime! Thanks and See ya in the Lodge!

Sincerely and Fraternaly,

Billy Mutter

MEMORIAL BRICK PROJECT

Brethren, in order to take full advantage of the Memorial Brick Lodge Mailbox Project the Worshipful Master and Senior Warden have decided to extend the deadline until April 15, 2015. This will allow for more participation in the project, because once completed there can NOT be any additions. The bricks will be set and the project closed. Keep in mind you can memorialize someone who has passed away, honor someone who is still living, regardless of being a member of Lake Drummond Lodge or not. You can even honor a group or organization. This will truly beautify our Temple and provide a lasting honor to those selected to participate. Please consider purchasing a brick today! Additionally, once erected there will be an unveiling ceremony with all contributors and members invited.
