DISTRICT DEPUTY GRAND MASTER,

36TH MASONIC DISTRICT - 2014

Rt. Wor. Joseph Leon Stocks

C (757) 478-9675
stocksjl@juno.com

Brethren,

I first want to apologize for getting the Trestleboard to you in such an untimely fashion. We have struggled through a number of issues during its preparation. I can only ask for your forgiveness with a promise to learn from our mistakes so that they do not repeat themselves.

Aside from the Trestleboard hiccups, we are off to a fantastic year! We have already initiated five new Entered Apprentices this year, giving us nine in the pipeline! We have raised two of our Brothers to the Sublime degree of Master Mason! And, we have several petitions to be read at our June Stated Communication! It is really nice to see this kind of growth in our Lodge! Thanks to all of the Brethren who have been attending our work nights and Stated Communications. Our work night attendance has been averaging over thirty per night while our Stated Communications have also been very well attended. Regarding the work night attendance, I think back to my EA initiation and recall how great and meaningful it was to be in the presence of so many Brothers on that special night. It truly sets the tone for understanding friendship and brotherly love in our fraternity.

Speaking of our Stated Communications, we have had some awesome speakers thus far. Worshipful Paul Miller, Grand Provost, spoke at our January meeting. Right Worshipful Leon Stocks, DDGM for the 36th District made his official visit in February and that was followed up by Most Worshipful Reese Edward Carrol Jr, Grand Master of Masons in Virginia for our March Stated. Right Worshipful Jim Morgan was presented his 50 year Masonic Veteran certificate and pin at the March Stated by the Grand Master. The presentation was performed prior to opening Lodge so that RW Jim's family could be in attendance. It was a very touching moment, especially with RW Jim's eloquent remarks concerning what Masonry has meant to him and what Masonry has done for him over the past 50 years! Our guest speaker for the April Stated was Worshipful Michael Anthony Pelletier, District Education Officer for the 36th Masonic District. We honored our Public Safety Brethren at our May Stated. Brothers Ronnie Young (Chesapeake Police Dept.) and Gregory "Gus" Gustafson (Chesapeake Sheriff's Office) were our guest Speakers. The June Stated we had RW Dr. E. Clifton Whitlock, Grand Senior Deacon as our Guest Speaker in honor of Saint Johns' Day. We have had two family nights thus far this year. Both were very well attended. Check out the pictures in this bulletin! Our next family night is on July 30th, so mark your calendars and plan on bringing your family out for some good food and fellowship!!!

We had our annual Barbeque Fundraiser on April 25th. The event was very well supported by the Lodge Members as well as the community at large. We served approximately 600 plates and as a result, we were able to raise over \$4,000. Thanks to all of those who supported this event and to those who sacrificed their day to help prepare and serve the food. A special "thanks" goes out to Worshipful Ken Strickland for coordinating the event.

We still have the Memorial Brick Project underway. We had hoped to get this wrapped up by 15 April but I think it would be prudent to extend the project to August 15th. This is a great chance to memorialize someone who has passed away, honor someone who is still living, regardless of being a member of Lake Drummond Lodge or not. You can even honor a group or organization. This will truly beautify our Temple and provide a lasting honor to those selected to participate. Please consider purchasing a brick before it is too late!

Even though our annual Lodge golf tournament is still months away, Brother Chris Turner is hard at work planning this event. Brother Turner sure could use help in acquiring door prizes and hole sponsors. If you would like to assist in this significant fund raiser, please get in touch with Brother Chris or one of the officers.

One of our goals this year is to keep the doors of our Lodge open on Thursday evenings, except on the

first Thursday of the month so that we could support a sister Lodge in the District or to travel outside the District. Thus far, we have had some real success with that due to the influx of Entered Apprentices, the aforementioned family night and a “Rusty Trowel” night. It is important for the Brethren to be able to have some reasonable expectation as to when our Lodge doors are open beyond just our Stated Communications. It is akin to going to your favorite store. You are much more likely to frequent that store if you know that it has consistently stable and recurring hours of operation. So, if you are looking for something to do on a second through fifth Thursday of the month, consider coming out to your Lodge for some good fellowship and brotherly love.

Brethren, on behalf of your Lodge officers, it is an exciting honor and privilege for us to serve our Lodge this year. We are working extremely hard to keep our Lodge open, active and vibrant. We are very appreciative of your participation and support! Having well attended meetings and events makes our commitment to represent you and the Lodge well worth the effort! Seeing “seasoned” Brethren in the Lodge who have been away for awhile has been “icing on the cake” for us! If you have been away from the Lodge and think you may need a little “brushing up” to attend, please do not hesitate to contact me or an officer and we can make that happen! We look forward to seeing you around the Lodge!

“Family is the heart of Masonry!”

MEMORIAL BRICK PROJECT

Brethren, in order to take full advantage of the Memorial Brick Lodge Mailbox Project the Worshipful Master and Senior Warden have decided to extend the deadline until April 15, 2015. This will allow for more participation in the project, because once completed there can NOT be any additions. The bricks will be set and the project closed. Keep in mind you can memorialize someone who has passed away, honor someone who is still living, regardless of being a member of Lake Drummond Lodge or not. You can even honor a group or organization. This will truly beautify our Temple and provide a lasting honor to those selected to participate. Please consider purchasing a brick today! Additionally, once erected there will be an unveiling ceremony with all contributors and members invited.
