Happy New Year Brethren,

As we wind down from the celebration of the birth of our Savior, we look forward to the excitement and opportunities that lie ahead in the new year. I cannot remember a time in my life that I was more excited about the journey ahead. Being afforded the honor of serving as your Worshipful Master has energized me and I look forward to working tirelessly alongside each of you to maintain the excellence that has become a tradition here in Lake Drummond Lodge. For the past year we have been planning and developing some exciting programs for the Brethren of Lake Drummond Lodge, as well as their families and friends to enjoy during the upcoming year. It is my hope that each of you will take advantage of these opportunities to fellowship and serve your lodge. Masonry is the greatest fraternity in the world and the more of yourself you give to Masonry, the more light Masonry will shine on your life.

The Master's Theme for 2017 is "Remembering Our Past, Embracing Our Future". As I have journeyed through the chairs to the East, I have made a point to study and learn the history of Lake Drummond Lodge. Over the past 142 years Lake Drummond has developed a rich history of excellence and has been a model that other lodges strive to emulate. It is my intention to maintain the rich history of our Lodge; however, I am keenly aware that we cannot become complacent. We cannot rely strictly on our rich history to carry us into the future. We are called as leaders to do much more. A great scholar once said "No great idea ever came from a person who was afraid to make a mistake". We are going to make some mistakes as we travel down the road together this year, but we must continue to wake up each day in search of new and exciting ways to introduce this great fraternity to a world that so desperately needs the very tenets of our institution, which are friendship, morality and brotherly love. Brethren, I cannot do this alone. This is OUR Year and I will be looking to each of you to help me make Lake Drummond Lodge a beacon of light in a troubled world.

Please keep your eye open for the monthly calendar of events that will be mailed out each month to all. In addition, if you provide an active e-mail address to the Lodge Secretary or myself we will add you to the weekly "Master's E-mail" that will go out to all who have provided their e-mail information. These communications will serve to keep you informed as to the activities at the lodge, as well as which lodges I will be visiting each week. I ask that you keep this information close by and make a point to travel with me whenever possible. It is quite impressive and a positive reflection on a lodge when Brethren make the time to travel with their Worshipful Master.

In closing I would again like to thank you for allowing me to serve Lake Drummond Lodge as your Worshipful Master. I am excited about all that we are going to accomplish together. I encourage each of you to make a New Year's resolution to find something you can do to become more involved at the Lodge. If you haven't been to lodge in a while, resolve to come to our next stated communication. There is no telling what beautiful masterpieces we can construct if we all labor in the quarries of Freemasonry together. Thank you in advance for your support and if you ever have questions, comments or suggestions on ways to improve Lake Drummond Lodge please feel free to contact me at 757-295-6990.

Sincerely and Fraternaly,

Dennis L. Bagley  
Worshipful Master

The application form is available from the Lodge Secretary (757) 754-1671 or 178secretary@gmail.com. Application must be mailed to Lake Drummond Lodge No. 178, Attn: Scholarship Committee, c/o P. O. Box 6655, Chesapeake, VA prior to April 21, 2017.

## **LMIP NOTICE**

**Brethren, at the 2016 Grand Annual Communication of the Grand Lodge of Virginia, a resolution to increase the multiplier for LMIP memberships from 16X to 25X current dues was presented. This resolution was narrowly defeated; however, there are already additional resolutions submitted for next year and the Grand Master has formed a committee to study the solvency of the LMIP program.
